Student Checklist for Conference

____ Introduce your parents or guardians to your advisor.

____ Show your portfolio to your family and briefly explain the Table of Contents to give an overview of what is in your portfolio.

____ Read or summarize your “Dear Family” Letter.

____ Present your work. Choose 2-4 sections to focus on and for each section share:

- What the assignment was
- What knowledge or skills you learned by doing the assignment
- What process you went through to complete the piece
- Key parts of your reflection by reading them aloud to your family

____ Share your reflection and first goal, then write another goal with your parents/guardians.

____ Give your parent/guardian their Family Homework Letter. The homework can be kept at home or returned to school to put in your portfolio – this is your choice.

____ Thank everyone for coming to your conference and hand your binder to your advisor.
